About RPMC:

RPMC Lasers Inc (Incorporated in 1996) is the leading laser distributor in North America. We offer diode lasers, laser modules, solid-state lasers and amplifiers, fiber lasers and amplifiers, and laser power measurement sensors and meters. We also offer custom solid-state lasers and laser diode subsystems. We have over 1500 different laser diodes and solid-state lasers from technology leading manufacturers in the US, Europe, and Asia. Our goal is to provide high-quality technical advice with an in-depth knowledge of the products we offer at an attractive value proposition, the best laser at a fair price.
