

Employee Profile

Tom Macy **Product Manager - Lasers**

Territory: East Coast
Education: Rensselaer Polytechnic Institute
Hobbies: Skiing / Golf

Email: Macy@rpmclasers.com
Phone (cell): (636) 439-7895

Years at RPMC: 4

Experience:

Started his photonics career at General Scanning (now Cambridge Technology) selling galvo scanner components and subsystems. Worked in business development and later directed worldwide sales efforts with Nutfield Technology, another galvo manufacture. Also performed business development and marketing with laser system integrator Vytex. Joined RPMC Lasers Inc in 2013.

Expertise:

Strong history in the photonics industry background in sales, sales management, and marketing roles in laser source, systems, and galvo scanner businesses. Understands the use and applications of ultra-short pulse, fiber, microchip, and other solid-state lasers. Skilled at working with customers to understand laser applications and assist with laser selection saving time and money.

About RPMC:

RPMC Lasers Inc (Incorporated in 1996) is the leading laser distributor in North America. We offer diode lasers, laser modules, solid state lasers and amplifiers, fiber lasers and amplifiers, and laser power measurement sensors and meters. We also offer custom solid-state lasers and laser diode subsystems. We have over 1500 different laser diodes and solid-state lasers from technology leading manufacturers in the US, Europe, and Asia. Our goal is to provide high quality technical advice with an in-depth knowledge of the products we offer at an attractive value proposition, the best laser at a fair price.
