

Employee Profile

Al Anthony **Product Manager – Laser Diodes**

Territory: Canada, Mexico,
Outside of North America
Education: Lindenwood University
Hobbies: Dogs, Billiards, Home DIY

Email: al@rpmclasers.com
Phone (office): (636) 272-7227 x225
Phone (cell): (636) 544-3728

Years at RPMC: 11

Experience:

Started out as an electronics technician in the US Air Force. After honorable discharge completed Associates Degree in Electronic Engineering. Worked for a manufacturing company as an electronics technician. Did a career change into Optoelectronics Sales selling Photodiodes, Phototransistors, Photoresistors, Infrared LEDs, and Opto-Switches. Attended Lindenwood University and graduated with a degree in Business Administration. In November 2006 I was hired by RPMC Lasers as a Sales Manager.

Expertise:

Technical sales in Optoelectronics and laser diodes. Knowledgeable in the selection of accessories for laser diodes such as drivers, heatsinks, TE Controllers, etc.

About RPMC:

RPMC Lasers Inc (Incorporated in 1996) is the leading laser distributor in North America. We offer diode lasers, laser modules, solid-state lasers and amplifiers, fiber lasers and amplifiers, and laser power measurement sensors and meters. We also offer custom solid-state lasers and laser diode subsystems. We have over 1500 different laser diodes and solid-state lasers from technology leading manufacturers in the US, Europe, and Asia. Our goal is to provide high-quality technical advice with an in-depth knowledge of the products we offer at an attractive value proposition, the best laser at a fair price.
